

We just want to thank Vujasinovic & Becham, P.O.L.I.C Attorneys for all their effort on my dads case. We attended other attorneys but they just didn't show interest on our case. But a good day a husband of my moms co-worker (Linda & Jose Perez) recommended Vujasinovic attorneys to her, and by the first time my mom went to your office she knew she was in the right place with the right people. For all this and much more you all have done for us, we want to thank once again for you all help.

Sincerely,

Silvia Cisneros, Mayra Cisneros

you again for you all help.
